

DOGGY PLAYGROUPS

Play groups can provide a safe, fun and stimulating social environment for dogs. To ensure the safety and health of your pet and other guests, we require all guests comply with the following rules and regulations:

All dogs must be non-aggressive and not food or toy protective. Owners will certify their dogs have not harmed or shown aggressive or threatening behavior towards any person or any other dog(s). Please remember: your pet will be spending time with other pets and the safe and health of all animals is our main concern.

Playgroups are an opportunity for dogs to play off leash with other canines, always under staff supervision. This is completely OPTIONAL. If your dog qualifies, would you choose to have him Temperament Tested and approved for playgroups? Yes / No

If you chose YES please continue with this form.
